**EMPLOYEE CERTIFICATION (CONTINUED)**

By adding my signature on the first page, I certify that the information I'm providing is correct and the expenses for which I'm requesting reimbursement, or for which I'm validating:

- Were incurred for services or supplies received by my eligible dependents or me under the plan;
- Were for services or supplies furnished on or after the date my spending account takes effect;
- Haven't been reimbursed in any other way or from any other source and won't be submitted for future reimbursement; and
- Don't include any amounts that are otherwise payable by plans for which my dependents or I are eligible.

I understand that health care reimbursements aren't eligible deductions on my individual tax return. Claim decisions will be made in accordance with the provisions of the plan.

**HEALTH CARE CLAIM INSTRUCTIONS**

Use this form to submit expenses to your Health Care Flexible Spending Account. To have your claim approved, you must complete and sign the enclosed form and fax or mail it to Your Spending Account with the required documentation. Once received, your claim will typically be processed within ten days.

**HELPFUL HINTS**

- If the receipt is handwritten, it must include the service provider's signature. For prescription drugs, remember to submit the receipt that the pharmacist has attached to the prescription, instead of the cash register receipt.
- If you have medical insurance, proof of any amount paid by other coverage, such as an EOB, is required. However, EOBs aren't required for RX, vision or hearing expenses, or receipts stating that the amount is for a copayment.
- If you have dental insurance, submit your claims to that plan before submitting them to Your Spending Account. If your receipt indicates you have dental insurance, proof of any amount paid by other coverage, such as an EOB, is necessary.
- If you lost a receipt, contact your doctor or pharmacy to request a copy, or call your health plan for an EOB. If you don't provide the necessary information, the processing of your claim may be delayed.
