

Lost Stock - Career - Leaving - Events - Remembrance - Sneakily Brilliant

You may have stock in up to seven HP-related companies. How to find it. How to keep it from being declared "unclaimed" and turned over to the state.

<https://www.hpalumni.org/stock>

Check your LinkedIn profile. Many find that all their HP past positions for decades have been changed to HPE. Recruiters and hiring managers are suspicious of employers and dates that don't make sense. How to fix:

Know someone who has recently left, is now leaving, or is expecting to leave? Send them this link to our ASAP Checklist -- advice from alumni on urgent things to do before losing access to internal systems and in the following weeks:

<https://www.hpalumni.org/asap>

Bay Area. HPAA Social. Panel on impact of new tax law. Wed; Mar 11. 6:00 Mountain View. Free to current and former HPers and guests.

<https://hpaamar2020.eventbrite.com>

We've found that some email systems block or corrupt emails with a large number of links.

All the links for this issue are located here:

A business lesson from HP history that is still valid:

"There were several aspects of the process that were sneakily brilliant" To turn around a failing business, one division asked employees what is holding them back. (Division GM Steve Fossi)
