Dear Shareholder:

We are pleased to announce the introduction of the Computershare Investment Plan ("CIP"), a direct stock purchase and dividend reinvestment plan, for investors of Agilent Technologies, Inc. ("Agilent"). The CIP, which is offered and administered by Computershare Trust Company, N.A. ("Computershare"), provides an attractive alternative to traditional retail brokerage methods of purchasing, holding and selling shares of Agilent common stock. Both registered shareholders and new investors are able to purchase shares through the CIP.

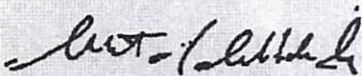

The CIP contains a full array of attractive features that include the ability to:

- Reinvest your dividends or receive your dividends in cash at no cost
- Purchase additional shares by investing as little as \$50
- Authorize recurring monthly purchases through the automatic investment feature
- Sell shares daily including market order sales
- Convert your certificates into book-entry shares for safekeeping purposes at no cost
- Transfer shares to another person by opening a CIP account for the recipient
- Manage your account over the Internet at [www.computershare.com/investor](http://www.computershare.com/investor)

The enclosed brochure provides a detailed explanation of the CIP. To participate in the CIP, you can enroll over the Internet at [www.computershare.com/investor](http://www.computershare.com/investor), or you can complete and return the enclosed Enrollment Form in the envelope provided. Participation in the CIP is voluntary and you may withdraw at any time.

At Computershare, we recognize that Agilent values its shareholders, and we hope that you will find the new CIP to be a simple method of increasing your investment and safekeeping your shares. If you have any questions or need more information, please call Computershare at 1-877-309-9856.

Sincerely,

Martin J. McHale Jr.
